

# Agency week 5

1/29/2023  
Sermon: James

## That's What He Says

- we were marred through the fall but Jesus made us right
- Hebrews 2:8
- Mark 4:39 - Jesus shows dominion of creation
- Peter walking on water demonstrates humans can have dominion over creation if it is for the sake of God
- controlling fire from the sky, Moses with the plagues, etc.

There are  
other examples  
of this

1. What is the practical out working of being made in God's image for you?
2. What process in your life needs to better reflect God's image?
3. How does being made in God's image inform your actions?
